VIII. Information according to the General Data Protection Regulation:

To process your application, WIST needs the data listed under I to IV to check the possibility of assigning a place in the dormitory. In the case of a contract being concluded, the data you provide will be stored at WIST Innsbruck for the entire duration of your stay, otherwise it will be deleted after two years. You have the right with proof of your identity in written form, to:

Obtain information about the stored data, arranging for the deletion, correction or transfer of the data as well as restricting or prohibiting the processing of the data. Complaints about alleged violation of these rights must be addressed to the Data Protection Authority of the Republic of Austria, Wickenburggasse 8, 1080 Vienna.

Disclosure of personal data to third parties: In the event of a contract being concluded, the following data can be transmitted to the quota taker on the basis of existing quota agreements: first and last name, home town, address for the dormitory, field of study, amount of monthly usage fee, scholarship acquisition.

With my signature, I expressly consent to the storage and further processing of my data by WIST Innsbruck. Applications will only be processed if all documents are available (see below). In the case of a contracting period shorter than one year, opportunity costs must be added to the standard prices, since the price is calculated for a year-round contract. (Exception: contracts for the summer semester from 01.03.-31.08). As processing fee, please transfer € 10 to our account AT24 1400 0668 1013 2079. The application for a place in a dormitory is non-binding for both parties and only becomes binding once WIST has confirmed it and the reservation fee has been paid on time. With your signature you confirm that you have taken note of the above-mentioned provisions regarding admission, prices, forfeit of the application fee and data collection and use.
